COMMITMENT TO PARTICIPATE

Congratulations on participating in the Arizona FCCLA State Leadership Conference. At this year’s Closing General Session, students who placed top in their events will be identified and will have the opportunity to represent Arizona at this year’s National Leadership Conference (NLC) in Nashville, Tennessee or virtually.

The decision must be made whether you will attend NLC if you qualify at the state level. NLC will take place in a hybrid format with competitive events being offered virtually, and leadership development opportunities being offered in-person in Nashville, TN on June 27 – July 2, 2021.

My student has permission and commits to participate in the 2021 National Leadership Conference as described above if they qualify at the 2021 Arizona FCCLA State Leadership Conference.

☐ YES ☐ NO

By stating “YES” you are committing to register for and participate in the National Leadership Conference and will be financially liable for registration fees and all other expenses as determined by the Chapter Adviser.

By stating “NO” you are relinquishing the opportunity to participate in the National Leadership Conference and you will not be recognized as a National Qualifier at the State Leadership Conference. This will not affect your earned medal or scholarship (if one is available) that is associated with your placement in your event.
